SIGN UP

We will have a signup sheet for anyone wanting to help with the Booster's Sports Programs next year. The more the merrier. Several people have already volunteered to help out and we'd love to have more. If you can't make it to the meeting but would like to be involved email Jennifer_Demeraski@hotmail.com

VOLLEYBALL

It isn't too late to sign up for Girls Volleyball, forms are available on the school website. We are looking for all girls in grades 4-8 in the fall. We currently only have enough players for one team in 4/5/6 grades and we are hoping for 2 or 3 teams so sign up and remind your friends, too. Practices begin the first week of August, if you wait until school starts it will be too late.
